

Beachfront Park

Be part of the future

When you donate time, money, or goods to the Beachfront Park Fund, you are contributing to the future of your community and to our children.

Discover the many ways that you can make a difference. The Beachfront Park Master Plan calls for the development of an array of features including, but not limited to, an amphitheater, dog park, game courts, playing fields, picnic areas, and disc golf course.

About the Fund

- In 2011 a Planning and Technical Assistance Grant through the Community Development Block Grant (CDBG) program allowed for a series of public meetings to take place that resulted in the Beachfront Park Master Plan approval on December 16, 2013.
- The Master Plan is a road map to guide future improvements and contains the most favored components of the input discussions; these include a dog park, plaza, amphitheater, basketball, volleyball and other game courts, picnic areas, playing fields, beach access, a disc golf area, and more.
- Unfortunately, the current economic climate leaves little to no available funding in the City's General Fund to finance these projects though the community's desire to see completion is certainly present.
- On March 16, 2015 the City Council approved the creation of a new fund specifically to be used for the implementation of Beachfront Park components. This fund is divided into sub-accounts so that donors can contribute monies specifically to the project they wish to see progress. Donations are to be used for hard costs only. Additionally, these "buckets" of funds can be used as grant matches to bring even more capital into the program.

WE NEED YOUR HELP!

To turn this vision into reality we will need YOUR help. You can donate to or fundraise for the project of your choice and know that those dollars will stay with that project. If you have skills to volunteer please contact us! We need artists, engineers, architects, gardeners, organizers... you name it. There are also opportunities for tributes, memorials, sponsorships, and more.

THE BUCKETS

If you would like to donate directly to or fundraise for a project, please make checks payable to *City of Crescent City* and write the *Ref#* that corresponds with your project in the memo line to ensure that your tax-deductible contribution is allocated to the correct account.
