SECTION II - EFFECT OF M.O.U.

This M.O.U. shall comply with all local, State, and Federal regulations applicable to such agreements. If any provisions of this M.O.U. violate said regulations, the M.O.U. may be amended at any time to conform to local, State and Federal law. This agreement is by reference incorporated into the City budget process.

SECTION III - DEFINITIONS

Except as otherwise provided herein, all words used in this M.O.U. shall have the same meaning as set forth in the City's Municipal Code, the City's Employer-Employee Relations Rules or the State of California's Government Code.

SECTION IV - RECOGNITION

The City agrees to recognize CCPOA as the recognized employee organization representing those City employees who are members or associate members of CCPOA at the time of the City's adoption of this M.O.U., and those employees who become members of CCPOA during the term of this M.O.U. This recognition supersedes any former recognition and continues for the term of this M.O.U., unless CCPOA violates any terms or conditions of this M.O.U. or any City rule or regulation which may cause the termination of this recognition by the City, as per the Crescent City Municipal Code.

SECTION V - EMPLOYER-EMPLOYEE RELATIONS RULES

The parties hereto agree that the City's Employer-Employee Relations Rules, as included in the City's Municipal Code, shall continue in full force and effect for the term of this M.O.U., except that Section 8-220 shall be void for the purpose of disciplinary action. The City shall follow current laws and regulations including, but not limited to, the Police Officers' Bill of Rights in the implementation of disciplinary action.

With respect to Section 8-253-A(4)(ii) and (iii) of the City's Employer-Employee Relations Rules, Grievance Procedures, the following shall apply: During the second level of review, the

department head shall have five (5) working days in which to schedule an investigation as he deems necessary and shall render a written decision. Further, should the employee still be aggrieved, the employee may appeal the decision within ten (10) working days of receipt of the written decision.

A hearing shall be conducted by a three (3) member panel consisting of a CCPOA member, a City representative, and a mediator from the California State Conciliation and Mediation Service, at no cost to the City. The panel's decision shall be advisory only to the City Manager.

SECTION VI – WAGES

A. WAGES

City agrees to compensate the employees covered by this MOU as described below:

1. Effective the first full pay period in July of 2025, the pay scales as set forth on Exhibit A shall apply to all classifications listed therein.
2. Effective the first full pay period in July of 2026, all pay scales set forth in Exhibit A shall be increased by the annual percentage increase indicated by the CPI-U (LA) March 2026 over March 2025. In no event, however, may the increase be less than 1.0% nor more than 3.0%.

***Refer to Exhibit "A", the pay scale table, which will be updated as numbers for the annual CPI are known.

B. PAY PERIOD

The City agrees to continue the biweekly pay period for the term of this M.O.U. The pay period will be from the Sunday to the Saturday fourteen (14) calendar days thereafter. The pay date will be biweekly on Friday. Employees must be compensated for their services within five (5) working days after the conclusion of a pay period.

C. OVERTIME

Non-exempt employees are eligible for overtime compensation as required by the regulations of the U.S. Department of Labor with respect to the Fair Labor Standards Act (FLSA). For the purpose of this section, guidelines established under FLSA shall provide relative to hours, overtime provisions, and other compensable items. Vacation and sick leave time shall qualify toward the employee's total work week hours for computation of overtime. All overtime compensation is subject to the approval of the department head. For the purpose of this M.O.U., the work period shall be eighty (80) hours within a fourteen (14) day period.

1. Employees called out to work on an emergency or call-out during a scheduled-off time period shall receive at a minimum two (2) hours of overtime pay for any call-out lasting less than two (2) hours. For emergencies or call-outs lasting two (2) hours or longer, the employee shall receive the normal overtime rate for all such time spent on the emergency or call-out. The City shall provide a paid meal for each employee working in a call-out emergency lasting more than

five (5) hours in duration. If an employee receives another call-out within the first two (2) hours of a previous call-out, the call-out will be treated and calculated as one (1) call-out.

2. Employees assigned to work overtime at either the beginning or at the end of a normal work shift shall be compensated for only such time actually spent working. No minimum is guaranteed for such work.

3. Court time:

(a) If an officer appears in court, in his/her capacity of a police officer while off duty, he/she shall receive a minimum of three (3) hours pay at his/her overtime rate.

It is recognized by the City and CCPOA that this provision is designed to compensate the employee for the inconvenience of reporting to court off-duty, and therefore, the employee is not expected to stay beyond the required court appearance. However, the employee is expected to report to work during periods of extended waiting.

(b) If an officer is ordered by his supervisor to call the District Attorney or his office while not on duty, he/she shall be compensated at his/her overtime rate for a minimum of two (2) hours. If the District Attorney or his office, with the approval of the officer's supervisor or the Chief of Police, calls the officer, the officer shall be compensated at his/her overtime rate for a minimum of two (2) hours.

4. Compensatory Time Off Plan:

This plan will be subject to the following conditions and restrictions in addition to the limits set by state and federal law.

a. When overtime is authorized by the supervisor, a police officer may at his/her option elect to have 1.5 hours for each hour of overtime worked added to his/her Comp Time Bank. The election will be made at the time the overtime is worked and shall not be changed later. The maximum allowed to be accumulated in an officer's Comp Time Bank will be one hundred sixty (160) hours.

b. The maximum accrual allowed at the end of the City's fiscal year will be sixty (60) hours. Cash out down to 60 accumulated hours will be mandatory at the end of the City's fiscal year, i.e., the last payroll ending in June. No comp time may be accrued in a pay period that would result in a balance greater than 60 hours as of June 30. Employees will be paid overtime instead.

c. At the request of employee, upon a five working day written notice, the City will pay overtime compensation in cash in lieu of compensating time off for any compensating time off that has accrued for at least two pay periods. Cashout of such time will be made on the next available pay period.

d. Use of accrued compensation time off is subject to the same requirements as use of vacation or sick pay.

e. The compensation amount for use or cash out will be according to California Labor Code, i.e., "If compensation is paid to an employee for accrued compensating time off, the compensation will be paid at the regular rate earned by the employee at the time the employee receives payment."

D. HOLIDAY PAY

The parties hereto agree that holiday pay shall be provided to those employees covered by this agreement who are assigned to work on City-designated holidays. Holiday pay shall be equal to the employee's regular hourly rate of pay (as of the payment date) times ninety-eight hours to be provided in a lump sum payment on or before the first Friday in December of each year. Employees who are employed for less than one (1) year prior to the payment date shall be paid seven (7) hours of pay for each month of full-time probationary or permanent employment. Employees promoted, transferred or terminated during the year shall receive seven (7) hours of pay for each full month of full-time permanent employment in a qualified position.

Holiday pay may not be used as paid time off nor cashed out at any time other than the established pay period in this section or upon employee separation

Non-sworn employees (recruits) will not receive holiday pay and instead will receive paid holidays off with overtime for actual hours worked on the holiday, for those holidays designated in Section VIII (F).

3. MA/MS Degree from an accredited College/University in a law enforcement related field approved by the Chief of Police and the City Manager – An increase to the base wage of 5%.

The Human Resources Manager must certify the qualifications being achieved by each officer and payment will be made with each bi-weekly paycheck. Professionalism pay is cumulative among POST certificates and/or among college degrees.

Professionalism pay is calculated as a percentage of base hourly pay times (the number of regular hours worked plus paid leave hours used) in a pay period. Professionalism pay is not paid for unpaid leave hours, unless used as part of a workers' compensation TDD calculation.

EDUCATION ASSISTANCE PROGRAM

The City will reimburse costs for education in accordance with current federal and state law provisions, as noted here: "Employer-paid education that is related to the employee's current job is excluded from income as a working condition fringe benefit if the following conditions are met":

- (c) The education must be related to the employee's current job and must help maintain or improve the knowledge and skills required for that job (e.g., refresher or update courses). If the requirements change while the employee is working, employer-paid education designed to meet them is a working condition fringe benefit.
- (d) All education reimbursement must be pre-approved (before classes start) by the Chief of Police and the City Manager.
- (e) Should the City require officers covered by this agreement to attend certain educational programs, the City shall pay the cost of tuition and materials pursuant to the schedule of authorized travel reimbursement in the City's annual budget.

Use of sick leave hours from the time bank shall be by approval of such means mutually agreed upon by CCPOA and the City Manager. Such administrative time off will be used by the Lieutenant within the fiscal year it was received and will not carry forward from year to year.

10. BENEFITS DURING LEAVE

(a) Family and Medical Leave (FMLA) and California Family Rights Act (CFRA). An employee taking family or medical leave will be allowed to continue participating in any health and welfare benefit plan in which he or she was enrolled before the first day of leave (for a maximum of 12 workweeks) at the level and under the same conditions of coverage as if the employee had continued in employment for the duration of such leave. Group health insurance coverage will be continued in the same manner for up to 16 weeks for employees disabled due to pregnancy, childbirth or related medical condition. The City will continue to make the same premium contributions as if the employee had continued working. The continued participation in health benefits begins on the date leave first begins under the Family Medical Leave Act (FMLA) or under the California Family Rights Act (CFRA).

The 12-month measurement period for purposes of FMLA / CFRA leave will be a rolling 12-months from the date that the FMLA / CFRA leave begins. The employee requesting FMLA / CFRA leave may be required to provide a medical provider's certification of the serious medical condition.

SECTION IX -MISCELLANEOUS PROVISIONS

A. SHIFT POLICY:

PREAMBLE. This shift policy has been designed to address two separate, but equally important, concerns: (1) concerns of Crescent City Police Department personnel relative to family, personal commitments, education and morale; (2) concerns of City Administration involving organization, establishing departmental goals, inter-relationships within the department, supervision conflicts and public relations. It is understood and agreed to by the parties that the review and continued existence of this policy will be based on its ability to address the concerns indicated above.

Additionally, it is agreed to by the parties that scheduling of shifts and setting the goals of the department is the exclusive right of the City. This is consistent with City Municipal Code sections and with the existing Memorandum of Understanding with CCPOA.

PROCEDURE. The following procedure shall be used in the assignment of shifts within the Crescent City Police Department.

1. All shift assignments shall be on a three (3) month basis. The Department shall establish procedures in conformance with these procedures to designate shift assignments for twelve consecutive calendar months starting the first of the year. A bargaining unit member must bid at least one nightshift rotation and one dayshift rotation during the calendar year. Shift bids shall coincide with yearly vacation bid and be distributed at the same time.

(A) Shifts will be from January through March, April through June, July through September, and October through December or as agreed to by the Chief of Police and CCPOA sergeants and officers.

(B) The term "shift" as used during this 12-hour plan refers to either dayshift (0600 - 1800) or nightshift (1800 - 0600).

(C) If staffing allows for a "cover shift" (1200-2400), the cover shift shall be considered both dayshift and nightshift and not required to switch shift during the 12 calendar months.

2. CCPD officers shall have the right to select the available shift of their choice on a seniority basis. Seniority shall be established by full time, continuous service as a sworn employee in each represented classification for the Crescent City Police Department.

(A) Choices of available days off will continue to be assigned by officer seniority.

(B) Not more than one (1) sergeant shall be assigned to any given shift unless authorized by the Chief of Police.

(C) The Chief of Police shall determine the number and type of positions available for selection on each shift.

(D) The Chief of Police shall have the exclusive right to change the positions assigned to any given shift in the interest of City priority, safety, special need or other documented valid reason.

(E) Special assignment shall not necessarily be made on a seniority basis. However, in fulfilling a special need, the Chief may consider seniority as part of the selection process.

3. The following positions with the CCPD are exempt from the shift selection process and shall be assigned in accordance with departmental needs as determined by the Chief of Police: Dispatch or Records personnel, Detectives, Narcotics' Officers, K-9 Officers, or such other specialty positions which may from time to time be established.

4. If mutually agreed upon with another officer, officers may change shifts within the three (3) month rotation period with the permission of their respective sergeants, and approval of the Chief of Police. If a sergeant is not assigned to the shift, the Police Chief shall act as the shift supervisor for the purpose of this section.

5. In the event of a conflict arising from implementation of a specific policy or procedure relative to shift selection, the Chief of Police shall be the final authority on how those policies or procedures apply. The Chief, in making a determination, shall consider the needs of the officer(s) involved and may consult and confer with CCPOA in reaching his/her decision.

6. Sergeants shall select shifts based upon seniority as established by appointment to the supervisory position.

B. PROBATION PERIOD/PAY STEP INCREASES:

Effective July 1, 2018, the City and the CCPOA agree to the following policy in an attempt to clarify the existing policy on probation/pay step increases:

The probationary period shall be regarded as a part of the examination process, and shall be utilized for closely-observing the employee's work, for securing the most efficient training in adjustment of a new employee to the position, and for rejecting any probationary employee whose performance is below average or unsatisfactory.

The Police Department shall establish two (2) separate and distinct classifications of police officer probationary periods:

CLASS I: Twelve (12) months' probation. Officers at time of appointment have completed a POST certified Basic Police Academy or are in possession of a valid California POST Basic Certificate.

CLASS II: Eighteen (18) months' probation. Officers at time of appointment are not in possession of, and have not completed all the requirements for issuance, of a POST Basic Certificate by the State of California.

All other terms and conditions relative to the probationary period shall be defined as currently written in the City-adopted Employer-Employee Relations Rules.

The City and the CCPOA acknowledge that the creation of the probationary period in Class II was not implemented for an arbitrary reason, but to allow the City to more accurately review the work performance of those officers required to attend the POST Basic Academy prior to starting the Department's field training program.

SECTION XI - DURATION OF M.O.U.

A. DURATION

The City and CCPOA agree that this M.O.U. shall be effective July 1, 2025 through June 30, 2027, as amended and referenced in Section I - Purpose. It is further acknowledged by both parties that certain portions of this agreement may require amendments during the term of this M.O.U. if State and Federal statutes and regulations so direct.

B. SEVERANCE & CONTINUATION

If any provision of this M.O.U. is held invalid or unconstitutional, such decision shall have no effect on the validity of the remaining provisions of this M.O.U., and such remaining provisions shall continue to remain in full force and effect.

C. WAIVER

The parties hereto acknowledge that during the negotiations which resulted in this M.O.U. each had the unlimited right and opportunity to make proposals with respect to any subject or matter not removed by law from the area of consultation or meet-and-confer, and that the understandings arrived at by the parties after exercising that right and opportunity are set forth in this M.O.U. Therefore, the parties hereto, for the duration of this M.O.U., and subject to the exceptions contained herein in Section VI, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to meet-and-confer with respect to any subject or matter in this M.O.U., in the event that either party desires to meet-and-confer or consult in good faith.

D. PROCEDURE TO FURTHER MEET AND CONFER

In the event that either party has requested the other party to meet-and-confer, and the other party has consented to such discussions, the parties hereto agree that such additional discussions may result in amendments to this M.O.U. Such amendments shall be dated and numbered consecutively in order to assure proper understanding and authority for each amendment. Nothing contained herein shall prohibit the parties hereto from amending this agreement as authorized by applicable law.
