_____ _____ Are you willing to be entered into a payment plan?

The City has the right to choose which payment plan option(s) to offer you and the terms of the plan. The options may include:

- *Extension of due date (additional 5 days)*
- *Amortization plan (pay the delinquent balance over 2 or more months)*

If you are eligible for a payment plan, the City will notify you and the primary customer on the account will need to sign a payment plan agreement.

If you are in compliance with a payment plan, the City will not shut off your service and you will not be charged additional late fees on the delinquent balance that is covered under the plan.

You must pay all subsequent bills (bills that are issued after the payment plan) on time. (For example, if you have a delinquent bill from March and enter into a payment plan, the payment plan is only for that bill. Bills for services from April or later are not part of the payment plan and have to be paid on time.)

You cannot have more than one payment plan at a time.

Additional important information can be found in the City's policy regarding water service shutoffs for residential customers on the City's website (www.crescentcity.org), or by requesting a copy of the policy at City Hall (377 J Street), or by calling the water department at 707-464-6517. The policy is available in English, Spanish, Chinese, Tagalog, Vietnamese, and Korean.
